If your child is already enrolled in the Pittsford Cooperative Nursery School on Wednesdays, he or she is not considered a MOPPETT as he or she already has excellent childcare.

Instruction for MOPS Registration 2008-2009

MOPS is open for mothers of preschoolers to join. We are limited however, by the number of children for whom we can provide care. If you are able to find alternative childcare for your little ones (for example through the Pittsford Cooperative Nursery School, co-located in our church), you may make MOPS available to another mom.

1. When you register with MOPS First Pres Pittsford, you also register with our parent organization, MOPS International Inc. (see www.mops.org). Their annual registration fee of \$23.95 entitles you to a one-year magazine subscription *MOPS to Mom Connection*, weekly emails, plus additional benefits which change yearly.
2. Annual local fees of \$65 are due by October 1, 2008 and cover the costs of the meetings from October 2008 – May 2009.
3. **Total fees for the 2008-2009 MOPS year (October 1 – May 20) are \$88.95. That comes out to be about \$5/meeting for activities, hospitality, prizes, childcare, and speaker gifts. Join us the 1st & 3rd Wednesdays of each month (starting 10/1) between 9:15-11am.**
4. Registrations will be received on a first-come, first-served basis. Once you have been registered, you will receive a confirmation.
5. If a mom joins once the program year is already begun, complete payment is due at the conclusion of a mom's second meeting. Be our guest for the first meeting!
6. Once our childcare program is full, you are welcome to attend if you can provide alternate care for your child(ren). Additionally, the waiting list for moms with children will be determined by the order in which the registrations are received.
7. Finding quality care for our children is a priority for us. Should you be able to suggest someone you trust, please let us know.
